About the ISPOR Student Network

Student Network Council 2018-2019

Koen Degeling, MSc, PhD Candidate
ISPOR Student Network Chair 2018-2019
University of Twente
Email: k.degeling@utwente.nl

Jennifer Casillas
ISPOR Staff Liaison
Director, Member Services
Email: jcasillas@ispor.org

Blythe Adamson, MPH, PhD
ISPOR Student Network Past Chair 2017-2018
Flatiron Health
Email: blythem@uw.edu

Jason A. Cohen, MPP
ISPOR Staff Liaison
Manager, Members Services (Students & New Professionals)
Email: jcohen@ispor.org

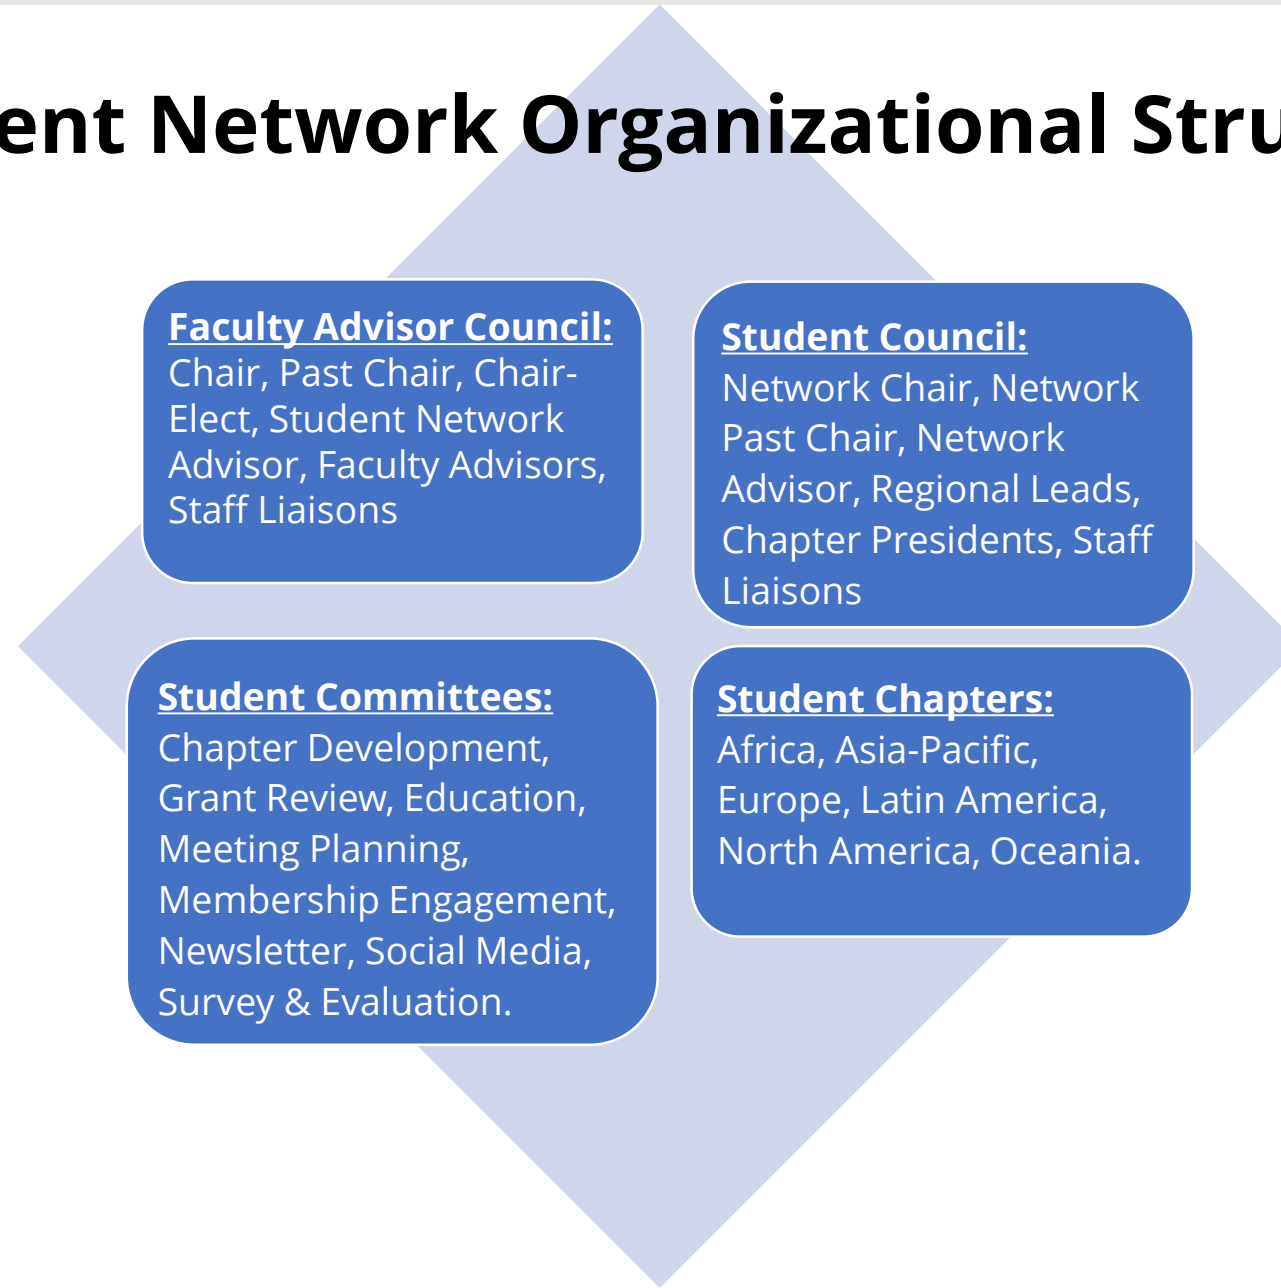

Zeba M. Khan, RPh, PhD
ISPOR Student Network Advisor
Vice President, Celgene
Email: zkhan@celgene.com

Stacey Mauriello
ISPOR Staff Liaison
Senior Coordinator, Member Services
Email: smauriello@ispor.org

Student Network Organizational Structure

Student Network Demographics

- Comprised of ~1,750 Student Members representing 90 countries and ~2,500 Chapter Members;
- Comprised of 100+ Student Chapters representing 31 countries;
- 8 Student Committees:
 - Chapter Development
 - Education
 - Grant Review
 - Meeting Planning
 - Membership Engagement
 - Newsletter
 - Social Media
 - Survey & Evaluation

Student Network

Level of Interest by Topic

*The darker the color the higher the interest!

Membership Benefits and Offerings

ISPOR Membership

- Member Benefits
- World-class, global scientific conferences
- MEDLINE®-indexed publications
- HEOR resources and tools
- Educational and training programs
- Awards and recognition
- Career development

Upcoming ISPOR Conferences

ISPOR Asia Pacific 2018

8-11 September 2018
Tokyo, Japan

ISPOR Dubai 2018

19-20 September 2018
Dubai, United Arab Emirates

ISPOR Europe 2018

10-14 November 2018
Barcelona, Spain

Member Groups

ISPOR Scientific and Health Policy Groups

- Task Forces and Special Interest Groups
- Advance the use of HEOR in decision making
- Design valuable tools for researchers, decision makers, patients, and the public
- Develop manuscripts for publication in the Society's scientific journals

Global Engagement

The Society's consortia, networks, and chapters develop HEOR at the local and regional level through regional conferences, newsletters, research, educational programs, and *Value in Health Regional Issues*.

- Asia Consortium
- Central and Eastern Europe Consortium
- Latin America Consortium
- Africa Network
- Arabic Network
- Regional Chapters

ISPOR Councils

ISPOR's global, regional, and local councils act as advisory bodies to the Society and provide direction on key issues in health economics and outcomes research.

- Education Council (forming)
- Health Science Policy Council
- Health Technology Assessment Council
- Institutional Council
- Patient Council
- Faculty Advisor Council

ISPOR Roundtables

ISPOR's roundtables provide an unbiased forum for key decision-making stakeholders from around the world to learn from each other and advance the science of health economics and outcomes research.

- Health Technology Assessment Roundtables
- Patient Representatives Roundtables

New Professionals

ISPOR New Professionals' member benefits are designed to serve the unique needs of future health economics and outcomes research leaders.

New
HEOR
Professional

Student Network

ISPOR's student membership program helps develop future leaders in health economics and outcomes research. Student membership offers:

- Student chapters
- Webinars
- Travel grants
- Awards
- Discounted membership, registration, and short course fees

Special Initiatives

Initiative on US Value Assessment Frameworks

ispor.org/ValueAssessmentFrameworks

The ISPOR *Initiative on US Value Assessment Frameworks* was created to inform the shift towards a value-driven healthcare system by promoting the development and dissemination of high-quality, unbiased value assessment frameworks.

Comparative Effectiveness Research Collaborative

- Advances the use of comparative evidence to improve health outcomes
- Provides today's formulary decision makers with guidance on how to interpret, evaluate, and use new research through:
 - *Assessing the Evidence for Healthcare Decision Makers* online questionnaire
 - *Synthesizing a Body of Evidence* online guided review
 - Online training and *CER Certificate Program*

ISPOR HEOR Competencies Framework™

Initiatives Objectives:

- To comprehensively define the health economics and outcomes research discipline, including:
 - Competencies professionals need for success in the field
 - Competency gaps that are often seen in candidates and employees
 - Training/education gaps that need to be addressed

Women in Health Economics and Outcomes Research

- To support the growth, development, and contribution of women in HEOR
- To serve as a catalyst for women's leadership in the field
- To offer a platform for ISPOR women to collaborate, network, share, and mentor each other

ISPOR Knowledge Center for Health Technology Assessment

A comprehensive repository
of resources and tools to support
health technology assessment (HTA)

Launching May 2018:

New Branding

The Society's New Look:

Reflecting how the many parts of ISPOR are connected across...

Borders, Disciplines, and Professions

ISPOR

Improving healthcare decisions

ISPOR, the professional society for health economics and outcomes research (HEOR), is an international, multistakeholder, nonprofit dedicated to advancing HEOR excellence to improve decision making for health globally. The Society is the leading source for scientific conferences, peer-reviewed and MEDLINE-indexed publications, good practices guidance, education, collaboration, and tools/resources in the field.

ISPOR's community of more than 20,000 individual and chapter members from 120+ countries includes a wide variety of healthcare stakeholders, including researchers, academicians, regulators and assessors, public and private payers, healthcare providers, industry, and patient representatives. The Society's leadership has served as an unbiased resource and catalyst for innovation in the field for more than 20 years.
