### MISSION

To promote excellence in health economics and outcomes research globally.

### VISION

To shape and ensure future generations of HEOR leaders who will continue to improve the science and advance the field of health economics and outcomes research.

The International Society for Pharmacoeconomics and Outcomes Research (ISPOR) is a nonprofit, international, educational and scientific organization that promotes health economics and outcomes research excellence to improve decision making for health globally.

**Student Network**

The International Society  
for Pharmacoeconomics  
and Outcomes Research

## STUDENT NETWORK

### Why you should join:

In addition to the many benefits of membership, ISPOR members are part of the vibrant HEOR community. The educational resources, career development opportunities, and diverse expertise of its members make ISPOR a catalyst for collaboration and networking with others in the field.

## MEMBER BENEFITS

Here are just a few of the benefits of your ISPOR membership:

- Global Scientific Meetings
- Networking
- Career Development
- Publications
- Knowledge Products and Online Tools
- Contribute to the Science
- Educational and Training Programs
- Awards and Recognition

All members receive access to ISPOR publications, scientific resources, and educational services. Visit [www.ispor.org/members/Index.asp](http://www.ispor.org/members/Index.asp) for more information.

## STUDENT MEMBERSHIP

All student members (full-time graduate, undergraduate, fellow, etc) must provide proof of current enrollment.

**\$35** Annual dues include access to all the benefits and services listed above, including a 1-year online subscription to *Value in Health* and *Value in Health Regional Issues*

**\$120** Annual dues include all the benefits and services listed above, as well as a 1-year subscription to both the print and online issues of *Value in Health* and *Value in Health Regional Issues*
