ISPOR Faculty Advisor Council:

As the Dean of the Faculty of Pharmacy, I would like to provide this institutional letter of approval for the start an ISPOR Student Chapter at <enter university name here>. The university will fully support the students to promote research activities within their chapter.

We would be excited to start an ISPOR student Chapter at <enter university name here>. We believe ISPOR will greatly benefit not just our students but also our research community through diversity and exchange of ideas for professional advancement and leadership development.

Sincerely,
