

# ISPOR Career Center

## The career site for HEOR professionals

**There is an art and a science to finding qualified candidates in today's competitive job market. If you are looking for candidates who possess the unique skills needed to excel in the field of health economics and outcomes research (HEOR) or are looking for an organization where you can best apply your HEOR knowledge, ISPOR's Career Center is your connection to the global HEOR community.**

As the leading professional society in health economics and outcomes research, ISPOR is uniquely positioned to facilitate connections between employers and job seekers in the HEOR field. The ISPOR Career Center provides an easy-to-use, highly targeted resource for employment connections.

### For Employers

The Career Center offers the ideal platform for employers looking for the most qualified HEOR professionals in the field. Employers are able to:

- Conduct targeted candidate database searches
- Create daily alerts
- Easily manage your posted jobs

Rely on ISPOR's Career Center to help you connect with the most qualified HEOR experts. For more information about how the ISPOR Career Center can work for you, visit [www.ispor.org/careers](http://www.ispor.org/careers).

### For Candidates

The Career Center provides candidates seeking the next step in their career a free service to access employers, fellowships, internships, and careers in the HEOR field. Candidates are able to:

- Post resumes
- Access career resources
- Create job alerts
