

ISPOR 2025

Tuesday, May 13 - Friday, May 16

ISPOR Exhibitor/Group Housing

We are excited to announce that Exhibitor & Group Housing for the 2025 ISPOR Annual Conference, taking place from May 13-16, 2025, in Montreal, QC, Canada, will open in September 2024.

New this year

As an ISPOR Exhibitor or Group Lead Contact, you will have early access to Housing, starting on September 9, 2024. This is ahead of the general housing, which opens on December 9, 2024.

Exhibitor/Group “Request-a-Block” Process:

If you need 10 or more hotel rooms, you can request a block of rooms specifically for your company through an exclusive [web link](#) provided when Exhibitor/Group Housing opens.

Steps to Request a Block:

1. Click the [Link](#) to start your room block request (this link will be available when housing opens).
2. On the main page, click on the “[Exhibitor/Group Request a Block](#)” Tab and proceed to create your credentials and set up your account.

You will then be guided through the process of: Selecting your preferred hotel(s), entering the number of rooms needed each night, and noting any special requests for your block. When done, simply click the “[Submit](#)” Button.

Once your block request is created, and your hotel (s) has been assigned, you will receive an email notification letting you know that your room block has been fulfilled. You can then log back in to add a credit card to guarantee your block, and assign your attendees’ hotel rooms, send individual confirmations, and manage any changes to your bookings all in one place.

Should you need support, please contact us at ISPORExh@Maritz.com. Our team members are here to address any questions or concerns you may have throughout this process.

Thank you, and we look forward to working with you.
