## ISPOR 20th Anniversary Celebrations

ISPOR will be celebrating our 20th Anniversary at all 2015 meetings. Celebrations include a commemorative video, which is also available at [www.ispor.org](http://www.ispor.org) >> About ISPOR.

## ISPOR Meetings Highlight – Networking and Collaborations

The **diversity in work environments** and **international scope** of attendance at ISPOR meetings provide **excellent networking opportunities** and **stimulating discussions and debate**. ISPOR Meetings also include group meetings of policy makers, patient groups, and other specific-interest groups from ISPOR's global membership.

At the **ISPOR 20th Annual International Meeting** in May 2015, 78 countries were represented by over 3,700 attendees and more than 45 ISPOR group meetings were held in conjunction with the main meeting program.

ISPOR anticipates welcoming approximately 800 attendees from over 45 countries to the **5th Latin America Conference** in September, and more than 5,000 attendees from over 80 countries to the **18th Annual European Congress** in November.
