*Value, Affordability, and Patient Centeredness:
Can We Have it All?*

CALL FOR ABSTRACTS

Abstract Submission Opens: **October 14, 2015**

Abstract Submission Deadline: **January 14, 2016**

Early Registration Deadline: **April 12, 2016**

WHY SUBMIT TO ISPOR DC?

ISPOR is recognized globally as the leading educational and scientific organization for outcomes research and its use in health care decisions. The International Meeting is the place to share your new research as a podium or poster presentation, interact with attendees during a workshop on your innovative experiences in outcomes research, or debate your views on a controversial topic in an issue panel session.

- **Audience:** Over 4,000 delegates from the global HEOR community – researchers, regulators, decision makers, and global leaders – anticipated.
- **Advance the Science:** Contribute your research, ideas, and knowledge.
- **Research Impact:** The attendee profile, ISPOR's global recognition, and the promotion and dissemination of meeting content improves the impact of your research.
- **Career Development:** Be part of this international network, become eligible for presentation awards, and be cited in *Value in Health* (all accepted research included).

No fee for abstract submission. Contribute to the program for ISPOR DC – Submission Deadline is January 14, 2016
