About St. Peter's...

St. Peter's Institute of Pharmaceutical Sciences (SPIPS) was established in the year 1995 by professionals having vast experience in the field of education. The college is situated at the heart of Warangal in a peaceful campus surrounded by greenery. SPIPS is equipped with state of the art facilities and laboratory equipments and has well qualified faculty. SPIPS has bagged several university gold medals and national level GATE, GPAT, NIPER ranks.

The college is associated with the International Pharma Student Federation (IPSF). SPIPS is a institutional member of Indian Society for Technical Education (ISTE) and Indian Association of Colleges of Pharmacy (IACP). SPIPS operates Indian Pharmaceutical Association (IPA)-Hanamkonda branch, IPA-student forum and ISPOR Telangana State Chapter. Under the Student Exchange Programme (SEP) Students from United States, Poland, Spain, Portugal, Netherlands and Hungary have visited SPIPS for carrying out their research and academic programmes.

Our faculty and students presented research papers at FIP congress in China, Egypt, Switzerland, Singapore, Germany, Turkey, Portugal and at several AAPS annual meetings in USA. Research activities have resulted in over 100 articles published in peer reviewed national and international journals during the last 5 years.

A series of seminars and workshops were conducted at St. Peter's in association with IACP, IPA-Hanamkonda branch and DIA. In addition, the 4th Indian Pharmaceutical Association Student Congress was held in the year 2012 on the theme "Evidence-based Pharmacy Education" and more than 3000 students from all over India participated in the event.

About ISPOR...

ISPOR is the leading global professional society in pharmaco-economics and outcomes research. Founded in 1995 as an international multidisciplinary professional membership society, the International Society for Pharmacoeconomics and Outcomes Research (ISPOR) advances the policy, science, and practice of pharmacoeconomics and outcomes research. With a 20 year commitment to education, collaboration, and leadership, ISPOR meetings, published resources, and facilitated discussions have evolved as the leading resources for health economics and outcomes research. ISPOR had about 9,500 individual and student members from 114 countries and over 8,700 affiliate members represent the entire field including research, academia, decision and policy makers, consultants, payers, patient representative groups, and others. An ISPOR Regional Chapter – is a group affiliated with the International Society for Pharmacoeconomics and Outcomes Research (ISPOR), which promotes the advancement of pharmacoeconomics (health economics) and outcomes research and encourages the efficiency, effectiveness, and fairness of health care to improve health.

About convention

The aim of the 1st convention of ISPOR India Telangana State Chapter with theme, "Concept and Role of Pharmacoeconomics and Outcomes Research in Healthcare" is to provide a platform for academic scientists, doctors, industry representatives, health care professionals and students to understand and aware about the pharmacoeconomic aspects and its significance in healthcare. This convention has specially focused sessions on 'Pharmacoeconomics and Outcomes Research: Expanding the scope of the pharmacy profession' "Finding Direction in the service of others: Pharmacoeconomics and Systems Leadership", "Economics of pharmacist services in the US hospital setting" and "How to carry out basic research in Pharmaceconomics in India?". This also provides an opportunity for students to present their scientific papers as oral and poster presentations.

Call for Abstracts...

Abstracts from all departments of pharmaceutical sciences can be submitted in not more than 200 words on or before 20th January, 2016. The abstract should be neatly typed (Times New Roman 12 Points, 1.5 spaced, A4 Size) and send as soft copy to isportelangana@gmail.com. Best poster presentation will be awarded.
