How can the ISPOR organization as a whole (Staff, Board, Consortia, Networks, etc.) better support your Chapter?	ISPOR organization extending sufficient support.
3 challenges the Chapter is facing at the start of 2018.	Engagement of members is a challenge as the subject "Pharmacoeconomics & Outcome Research" is not included in any curriculum and there is little scope for job with this specialization.
	PEOR data are not mandatory for new drug approval as per Drugs Rules.
	Retention of members is a challenging job.
