Student Network Committee Report 2017

Recommendation to future committee members:
Plan ahead! Be sure to contact ISPOR staff to ensure dates are open on ISPOR Webinar Calendar. Provide ISPOR staff and speakers with at least 4-6 weeks of notice before the date of the webinar. Make sure the speakers fill out and return the ISPOR Staff provided webinar form so that ISPOR staff can generate and send invitation to all student members at least 3 or more weeks before the webinar.
