REPORT SUMMARY

Committee members' role description:

The Committee is working on projects with participation of all members see next section.

Projects: (List projects specific to your committee that were executed during the year)

In 2016 members of International Planning Meeting Committee actively participated in ISPOR 21st Annual International Meeting, ISPOR 7th Asia-Pacific Conference and ISPOR 19th European Congress. The year was fruitful for new opportunities for students and young professionals, that were involved in ISPOR activities all around the world. In particular, International Student Planning Meeting Committee welcomed to attend the student-oriented events to be held during the ISPOR 19th Annual European Congress in Vienna, Austria. The European Congress in Vienna has given all the participants an immense opportunity for communication and networking through the events, such as the Student Research Showcase, Student Welcome Reception, and Faculty & Student Luncheon.

Achievements & Deliverables Executed During 2016-2017:

All the members of the ISPOR 19th International Meeting Planning Committee presented posters and participated in various events, such as educational symposia, plenary sessions,

Student Network

forums and workshops. Members prepared flyers with highlights in Vienna for all students, that participated in European Congress.

Also the Student Research Showcase was very interesting, showing the eagerness of the young researchers for new methods in the health economics field.

The Student Welcome Reception was a good chance to welcome the newest members of ISPOR Student Chapters, and also talking about future collaborations. The reception featured raffled prizes, including short courses and student membership registrations, for talented students and new professionals.

In particular, co-chairs of International Planning Meeting Committee published 2 articles in Value and Outcomes Spotlight: "Student Activities at ISPOR Conferences: Sharing Experiences and New Opportunities" (O.Piniashko, O.Zalis'ka, September/October, 2016) about presentation of O.Piniashko and E. Dvortsin of the Student Network in Singapore during 7th Asia-Pacific Conference, communications with colleagues from Asia region. Student activities in Vienna were published in the next issue of Value and Outcomes Spotlight titled "Creating New Values for Students' Professional Development: Experience from ISPOR 19th European Congress" (O.Piniashko, Y.Vadziuk, S.Got, M.Subtirelu, I.Kremer, E.Dvortsin, November/December, 2016).

Co-chairs of International Planning Meeting Committee are developing common research projects and organizing the joint Chapters meeting. Members of ISPOR Student Chapters of Danylo Halytsky Lviv National Medical University and The University of Groningen participated in scientific conferences in Groningen (September, 2016) and Lviv (March, 2017).

Timeline For Any Open/Ongoing Projects:

European Congress - 4-8 November, 2017

Challenges:

Short timeframes to finalize projects

Potential solutions:

A continuous communications, TC to achieve the defined goals and results

Recommendation to future committee members:

Co-chairs of International Planning Meeting Committee highly welcome and appreciate new members and colleagues to join us for cooperation in pharmacoconomics and HTA research and practice.
